The appropriate extension fee under 37 CFR 1.17(a) is calculated from: (1) the expiration date of the shortened statutory period for reply originally set in the final Office action; or (2) as set forth in (b) above, if checked. Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).</p>

Continuation of 3. NOTE: The limitation of "the column mechanically...engaged with the other..." provides an example of a limitation requiring further consideration.

Continuation of 11. does NOT place the application in condition for allowance because: The recitation of removal of the filament from the spool is functional language and would be a recognized step by one of ordinary skill in the art at the time the invention was made.
